

Allowing Popups – Chrome on Android Tablet or Phone

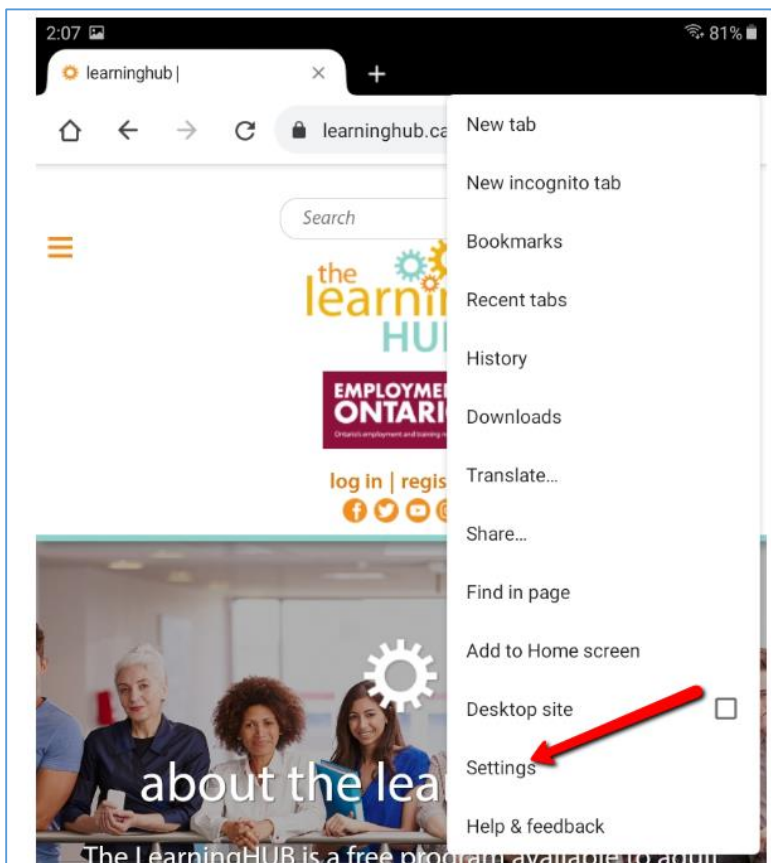

1. Tap to Open Chrome App

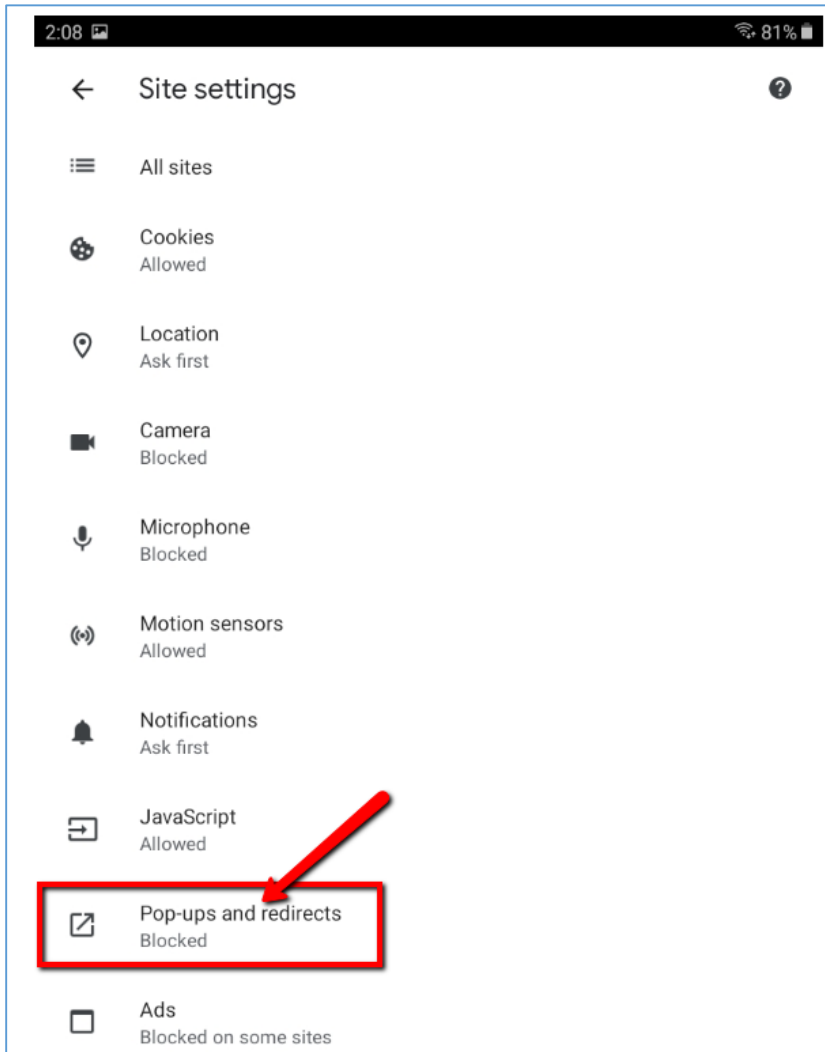

2. Tap 3 Dots at top right

3. Tap Settings

4. If Pop-ups and redirects is “Blocked”, Tap to change this setting

5. Swipe or tap the left of the ball to turn off the Pop-up Blocker. This will allow popups.

If you wish to Block Pop-ups later, swipe switch to the right.
