

Chrome – Allow Pop-ups

1. Open Chrome.

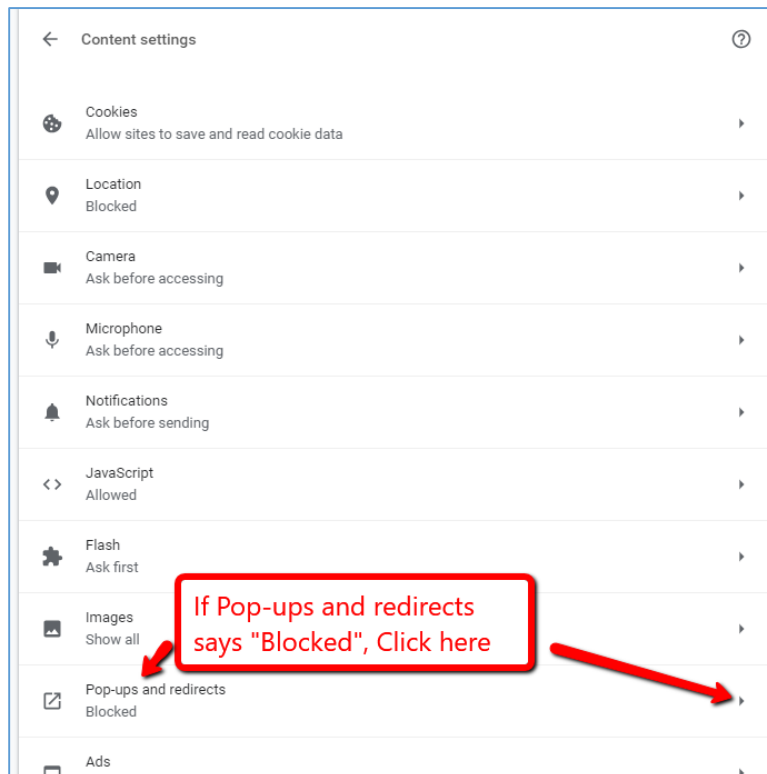

2. In address bar, type: <chrome://settings/content>

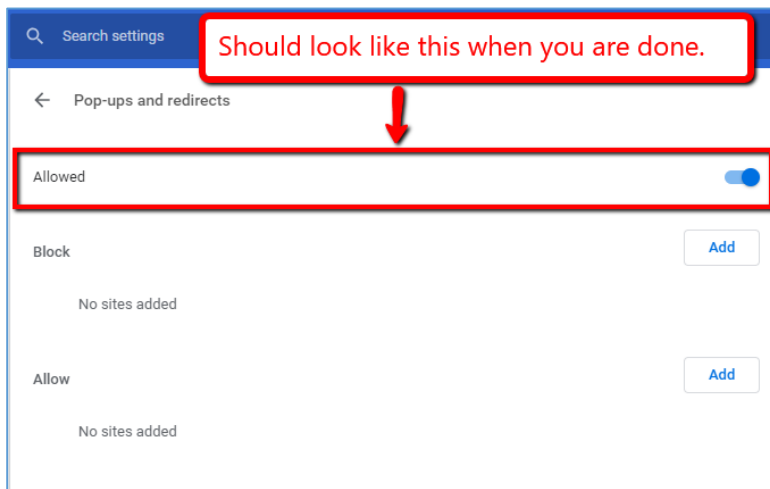

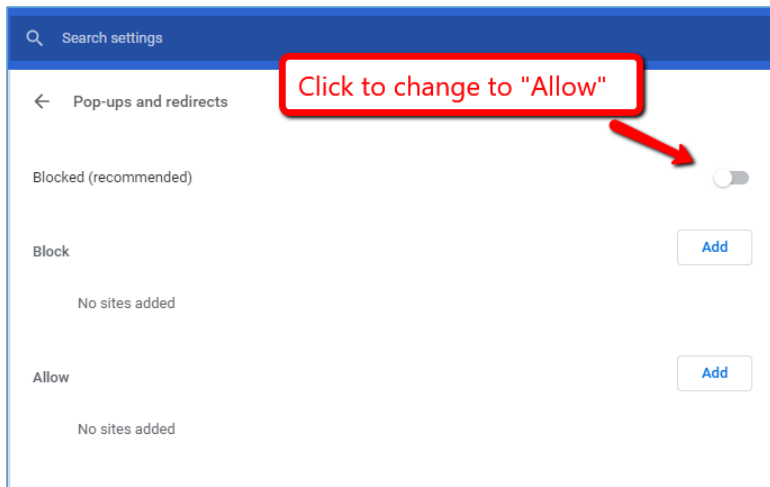

Please note: This must be typed in top address bar not google search bar.

3. Click the expand arrow beside “Pop-ups and redirects” to view the Settings.

4. Pop-ups must be set to “Allowed”.

5. Close Chrome.
6. Reopen Chrome and try your lesson.
